**Opportunity: Exam Venue Coordinators at the University of Limerick**

Unijobs are currently advertising for Exam Venue Coordinators on behalf of the University of Limerick. Similar named roles include 'Exam Supervisor' or 'Chief Invigilator'.

Exam invigilation is popular among semi-retired and retired public/civil servants, who often meet the profile when it comes to selecting candidates for senior positions. It is not considered full-time, ongoing employment, but is rather a seasonal and ad hoc opportunity, typically scheduled in two-week blocks during May, August, and December. Employment and payment are processed through Unijobs (non-public body) rather than through the University of Limerick.

This opportunity is open to everyone, not only to those who have previously served as (Junior) Invigilators within UL.

Anyone interested in learning more and applying, please visit the following link: Exam Venue Coordinators (external link)

The pay rate for Exam Venue Coordinators is currently €25.41 per hour.

**This opportunity is time-sensitive.**

**Opportunities as Invigilator**

The recruitment of **Invigilators** is year long and not time limited

Unijobs is a recruitment agency responsible for managing the panels of Exam Invigilators for the following Universities:

- University of Limerick
- University of Galway
- U.C.D.
- Technological University of the Shannon (Athlone, Limerick and Thurles campuses)
- Maynooth University
- Mary Immaculate College
- Shannon College of Hotel Management

**If you are interested in learning more or wish to apply to join one of the invigilation panels to support third-level exams, please email: Invigilation@unijobs.ie or alternatively call Unijobs's Limerick office on (061) 234 300**

**22 September 2025**
